

Record crowd attends 110th Minden Fair

The 110th Minden Fall Fair came to a happy ending on Sunday afternoon August 25, with a record Sunday crowd attending the festivities.

The Exhibit Building was completely filled on Friday night and the judges who hailed from Bracebridge, Indian River, Lindsay and other places were able to judge many excellent entries in agricultural produce, baking, preserves, arts and crafts, sewing and other displays.

The Fair officially started at 12:30 P.M. on Saturday with the annual Parade led by the Haliburton Legion Pipe Band. All the floats in the Parade were beautifully decorated with the following prizes awarded:

Best Team attached to wagon: 1. Sinc Nesbitt and Son; 2. M. J. Phillips.

Pony ridden by Boy or Girl, 16 yrs. and Under: 1. Betty Milburn, 2. Laurie Brown, 3. Yvonne Davis.

Best decorated car using vegetables and grain: 1. Ed McKelvey.

Best Centennial Float: 1. Stedmans, 2. Haliburton Lumber, 3. Audrey Fountain.

Best decorated Bicycle: 1. Greg Pearson, 2. Lisa Prochenko, 3. Mike Pearson.

Best Commercial entry: 1. Bank of Commerce, 2. Sid Stamp Fuels, 3. Minden Boat Works.

Best girls or boys group: 1. West Guilford Majorettes, 2. Minden Cub Pack.

Best Municipal Float: 1.

Townships of Anson, Hindon and Minden.

Best dressed Clown: 1. Claudia Jellett, 2. John Fountain.

Best organization float: 1. St. Paul's Church, 2. Minden Library.

Best decorated Wheels other than bicycles: 1. Tony McCloskey, 2. Lawrence Pritchard.

OPP reports 17 weekend collisions

At press time on Monday, September 2, the Minden Detachment reported seventeen collisions had taken place between Friday evening and Monday morning at 10:30 a.m.

Minnie Alma Hall of Minden has been charged under the Highway Traffic Act for parking on a roadway in such a manner that other vehicles travelling on the same road did not have a clear view of her car. As a result, a car driven by Timothy Chambers, 18, of Minden, came over a hill, struck the Hall vehicle and then struck a tree in the ditch. The driver and two passengers in the Chambers vehicle suffered bruises, and damage was estimated at \$400.00 to the Hall vehicle and \$600.00 to the Chambers vehicle. Constable T.R. Brown investigated this accident which occurred on

August 27.

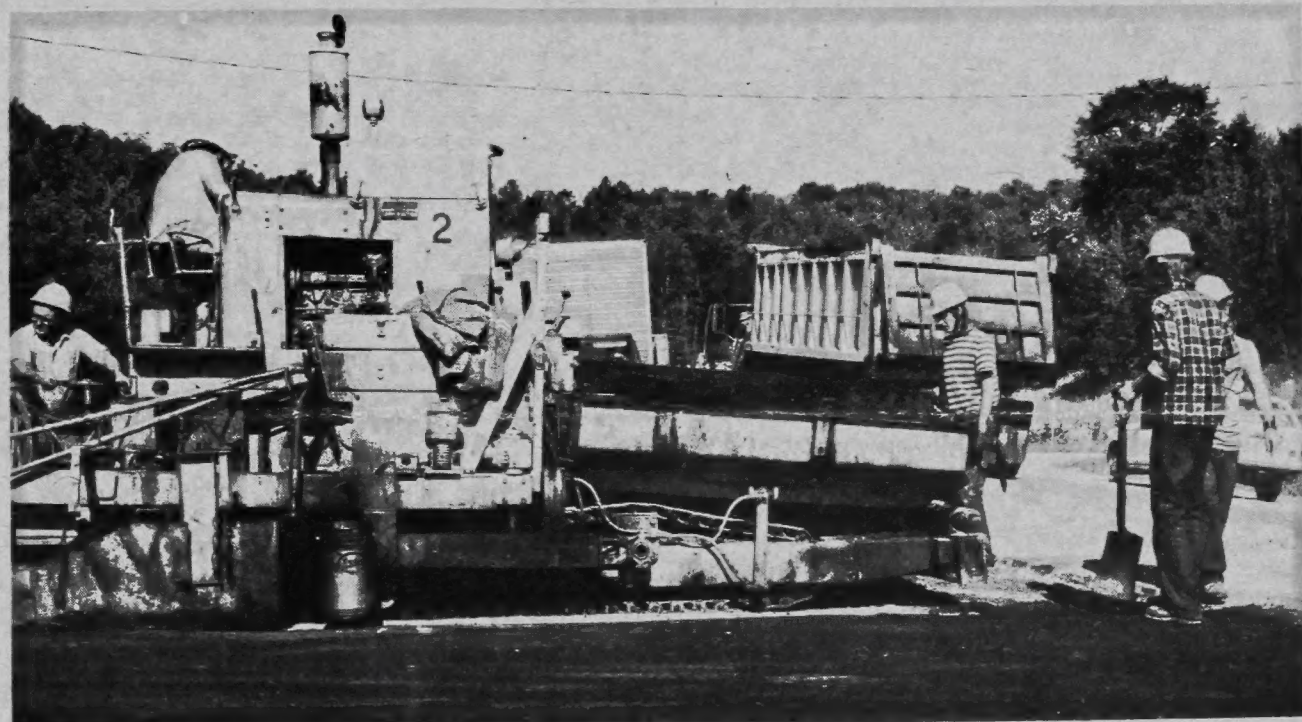

As a result of an accident on the Essonville Line, Richard G. Holland of Tory Hill has been charged with careless driving after colliding with the rear of a vehicle parked partially on the

shoulder of the road. The parked vehicle, driven by Wayne T. McKechnie of Toronto suffered \$200.00 damage, while the motorcycle driven by Holland suffered \$50.00 damage. Constable R.J. Wood of the

Minden Detachment investigated.

A sixty-two year old Oshawa man, Lloyd G. Moody was charged with careless driving when the vehicle he was driving failed to negotiate a curve and

travelled onto the shoulder striking guide posts. Damage to the vehicle was estimated to be \$400.00. Constable R.W. Pearson investigated this accident which happened on Highway 35 east of Ox Narrows

Smith's Construction Co. of Arnprior are shown with some of their paving equipment on the last lap of the paving on the Buckhorn Road. They are shown working at the finish point where highway 121 meets highway 503. It is the Northern link of the road that winds its way

southerly to Peterborough. Fred Nicholls of Smith's Construction on the left picture is shown turning off the asphalt and the job is completed. Lindsay Ecklin of Lanark, Ontario is shown at the controls. Mike and Jim Devenish of Bancroft are shown on the right. Photo by Dal Hubbert

Teenager drowns

Nineteen-year-old Carman Bradley Longhurst of Zepher, Ontario drowned on Saturday morning in Barnum Lake when he failed to make it to shore after the boat in which he and his companion were riding capsized.

His companion, Robert Wilkinson, a former Haliburton resident managed to

swim to shore after their small wooden boat upset. Longhurst was found in approximately ten feet of water by Minden Detachment divers Constable B.J. Connelly and Constable R.W. Pearson. The investigating officer was Constable R.V. Telford and the attending Coroner was Dr. H. Good of Haliburton.

Officials are busy preparing for municipal elections

Summer is coming to an end and fall is almost upon us. And this year is municipal election year for the vast majority of Ontario's municipalities. Municipal officials across the Province are already busily engaged in the preparation of voters' lists and learning to adapt the new procedures brought about recently by the 1974 Municipal Elections Amendment Act. The new municipal elections legislation combined with other basic changes of returning many powers and responsibilities back (i.e. particularly planning functions) to the local government level marks a strong determination of giving government back to the people.

The 1974 Act resulted from a series of meetings with municipal officials, municipal associations and the Municipal Liaison Committee.

A number of significant changes have resulted from these consultations and exchanges, ranging from procedures regarding the voters'

list, through the removal of certain restrictions in ballot printing requirements in proxy voting, to permitting use of voting machines in municipal elections.

Several administrative refinements were also made to the amended Act. For example, under the present procedure an assessment commissioner conducts an enumeration for the preparation of preliminary voters' lists from the Tuesday following the first Monday in September to the second Tuesday in October. The amended Act would shorten that period so that enumeration would end on September 30th. Under the revised Act, the municipal clerk must assist the assessment commissioner in verifying the accuracy of the preliminary voters' list by ensuring that people are on the list and that they are properly enumerated and numbered. The amended Act also provides for the disqualification of all judges from voting in municipal

elections as requested by the judiciary. Two other changes for voters to get on the voters' list for voting purposes and certain uniform standards to be followed in the type of ballot used complete the other administrative improvements.

I believe that the major changes in the revised Act include:

(1) municipal councils may use voting machines so long as certain procedures are followed;

(2) councils must hold one advance poll on Saturday, nine days before the polling day; in addition, local councils may hold one or more additional advance polls to widen voter participation at the municipal level;

(3) clarifying the procedures and conditions for conducting municipal by-elections;

(4) permitting (at the clerk's discretion) a polling place in nursing home or other institution of 20 beds or more in which resident patients are chronically ill or infirm.

The number of voters required by a person interested in becoming a prospective candidate remains at 10. Certain refinements have been made regarding the conditions and time under which a person becomes a candidate for office. Qualifications for voting remain the same: Canadian citizenship or other British subject, residency in a municipality and 18 years of age on or before polling day.

So if any people are considering the possibility of being a candidate in this year's municipal elections, now is the time for finding out how elections are conducted and what a prospective candidate must do in order to be on the ballot for December 2, 1974.

Although you may not consider some of the more mechanical or administrative changes significant, they will enhance the opportunities for every person to vote in a smoothly run municipal election and to improve the overall decision making of local councils.

110th Minden Fair

from page one

The Amateur Show that followed found some very good talent in the crowd with prizes being awarded as follows: Amateur contest 14 years and under: 1. Lisa Tetro, 2. Kevin Newell, 3. Andrea Mayhew.

Amateur contest - senior: 1. Don Banks, 2. Dorothy Atkinson, 3. West Guilford Majorettes.

Ladies nail driving contest: 1. Marj Coulter, 2. Dorothy Atkinson, 3. Reta Hughes.

Fiddlers Contest: 1. Jim Thompson, 2. Stuart Thompson.

Best Centennial Costume: 1. Hilda McCarey, 2. Jean McInerney, 3. Audrey Fountain.

Oldest lady at the Fair was Eleanor Walker, age 88 and the oldest man was Colin MacMillan, age 91.

On hand for the Official opening ceremonies was Mr. Bill Scott, M.P., Mr. Glen Hodgson, M.P.P., Mr. Reg Booth, Reeve of Anson, Hindon and Minden, Richard Parisotto, President of the Minden Fair and Mr. Murray Fearrey, Warden of the County who officially opened the Fair.

The Haliburton County Centennial Choir followed with a performance that delighted everyone in attendance and there was a sense of pride in the audience to realize we had a senior choir of such excellent calibre led by Mrs. Lillian Rawlins in the County.

The big moment came when the one and only

Ronnie Prophet thrilled and entertained the crowd with a variety of songs, skits and showmanship and a display of instrumental guitar playing which amazed everyone.

The dance at the Minden Community Centre again saw Ronnie Prophet pull out all the stops for his second show. The ever popular band Aquarius played a variety of excellent music that satisfied the large crowd of 600 persons in attendance. Aquarius, led by Mr. John Harris of Haliburton

is proving to be one of the most versatile and entertaining bands in Ontario.

The Rotary Funky Field Day had many participants of all ages and it is planned to have the field day as an annual event for the children.

The Light Horse Show on Saturday saw Murray Cowen of Haliburton take first prize. Second prize went to Jim Chynoweth followed by Elwood Graham and Grant Quinn.

The Heavy Horse Draw

on Sunday again was won by Murray Cowen followed by Mac McGillivray, Joe and Victor Cox, Leroy Nesbitt and Jack Batty.

Master of Ceremonies for the two day fair was Mr. Willis McNeilly who did an admirable job of announcing and commentary on the events.

The Directors of the Minden Fair are already in the process of planning for next year and an open invitation is extended to anyone willing to serve to make it the best fair ever.

Funky Field Day winners

Thirty-two boys and girls won prizes at Minden Fair August 25 in the Funky Field day events sponsored by the Minden Rotary Club. In the 100 yard dash there were ten races.

Under 5 years boys - 1. Greg Stamp, 2. Andrew Beatty, 3. Tony McCloskey;

girls; 1. Lisa Prochenko, 2. unknown, 3. Erin O'Brien. 5-7: boys, 1. Paul Walker, 2. Glen Hall, 3. Adam Wallace. Girls, 1. Jan Beatty, 2. Barb Cole, 3. Brenda Toye. 7-10: boys, 1. Mike Leaman, 2. Fred Tofflemire, 3. Scott Arburthnot; girls, 1. Glenda Newell, 2. Tracey Harrison, 3. Liza McCloskey; 10-14: boys, 1. David Brown, 2.

Gary Harrison 3. Paul White; girls, 1. Cathy Kinsman, 2. Louise Crofts, 3. Laura Bird.

14 and over boys L. Kirk Coneybeare, 2. Scott Gartshore 3. Wheaty O'Toole, girls, 1. Vera Fast, 2. Laura Bird, 3. Louise Crofts.

Winners of the Egg Throw were Scott Arburthnot and Gary Harrison.

69 pass Red Cross swim tests

There was a large crowd of youngsters taking Red Cross Swimming Lessons from Minden Area. 79 were examined and of these 69 passed and were awarded cards and crests.

haliburton Highlights

We were informed today that the Haliburton Laundromat is now open again and we hope to have an announcement to make on this at a later date.

The new tennis court in Haliburton was open over the weekend and although only one court was ready for play many local and visiting tennis players took the opportunity to try out the new court. It was really encouraging to see so many take the opportunity to play.

As usual a large number of citizens from Haliburton were in Kinmount last Saturday and Sunday to attend the annual Kinmount Fair. It was a good one and everyone who attended reported a very good time.

All you golfers will have the opportunity to enter in the Beaverbrook Open Men's and Ladies' Golf Tournament to be played in Minden this coming Sunday, September 8. The handicap system will be used with low net and low gross prizes. Entry fee is \$6.00.

The Oliver family, Ernie, Betty, Sharron and Barb along with guests, James Cline, Mrs. Minnie Witter and Mr. Louis Oliver have returned home after spending three beautiful weeks at their new cottage on Haliburton Lake.

IN QUEST OF YESTERDAY

It is said "Life is the sum of your experiences", and the lifeline of Haliburton County is indeed strengthened by the experiences of its early settlers, as related by our native author, Nila Reynolds, in "In Quest of Yesterday". This book, now in its third printing, has been published by the Provisional County of Haliburton as a Centennial edition, and is a treasure of fascinating reading into the background of very many present County residents.

Nila Reynolds, born in Guilford Township, is the daughter of Mr and Mrs Lawrence Morrison of West Guilford, and her husband, Leslie Bronte Reynolds, who worked with her in years of research, is a native of Minden Township.

In the foreward by the late Honourable Leslie M. Frost he commended Nila Reynolds and wrote "It is a pleasure to write this foreward and in so doing pay her tribute to her devotion to the story of a community, of which she and her forebears have been part. 'In Quest of Yesterday' is a very important addition to Canadiana and particularly to Haliburton, a magnificent land to which many of us are glad to pay tribute."

COMING CENTENNIAL EVENTS:

Saturday, September 21st: Kinsmen/Kinettes Centennial Dance at Minden Recreation Centre Auditorium.

Saturday-Sunday, September 28th-29th: Haliburton County Centennial Homecoming Weekend - with special events in all areas.

COUNTY . . . where life is living - for everyone

News Letter

The summer season is over and now its back to work for everyone. Everyone is back to school and now we can look forward to the good old winter time.

Mr. and Mrs. Geoff Stevenson of Clarkson and Mr and Mrs Lyle Pringle of Gull Lake were recent dinner guests of Mr and Mrs John Miller of Lake Kashagawigamog.

Some of the local hockey players who will be attending training camps of pro hockey clubs this month are Craig and Darrell Stamp, Cam Botting and Chris Rouble. These four players have been working out at the Haliburton arena during the month of August.

Bruce Cowan of Haliburton is on a real winning streak with his horses in the horse drawing contests. He came away from the Minden Fair with first prize.

CKVR has unveiled its program plans for the 1974-'75 television season. Building on last season's successful schedule CKVR will introduce several excellent new programs, rearrange its afternoon lineup and move some familiar favorites to new time slots.

Movies will once again play an important role with an average of eighteen being scheduled every week, including a feature length movie each evening at 6:00, Monday thru Saturday.

Included among the new programs to be seen on CKVR this season are: **RHODA** (Mary Tyler Moore's neighbour!), **HAPPY DAYS** (with Ronnie Howard of 'American Graffiti' fame) and **OVERTIME** (to follow Saturday Night Hockey).

We just want to remind all those who have given us photos for our Pic of the Past that we have really appreciated receiving them and for all those who have presented us with pictures that as yet have not appeared, just hold on they will be coming up.

One of the Highlights of the Stanhope Color Fly-In on Sunday September, 29 will be the Export "A" Balloon.

The Haliburton Summer Theatre with plays at the High School are over for another season. The plays were outstanding and the crowds were near capacity for every play.

Just a reminder that the Haliburton County Centennial Homecoming weekend is set for September 27-28-29, 1974. So plan now to come and see the Highlands in living color.

Speed doesn't kill, says the Ontario Safety League. Impact does. But speeding is a sure way to build up your impact. Double your speed and the impact is four times greater.

It seems that you can't leave anything laying around in Haliburton unless you have it chained down. Last week someone came up to the verandah of a Haliburton woman's home and stole three pots of plants. You would wonder what will happen next.

In the summer of 1975 the Rotary Club of Haliburton will once again hold their Auction Sale. The Club is now starting to gather articles for this sale and if you have any that you would like to donate please call 457-2973 or 457-2548.

Rotary club going all out for Homecoming Weekend

Haliburton County Centennial Homecoming Weekend is all set for September 27-28-29 and what a big event it's going to be.

The Rotary Club of Haliburton are going all out and pulling all the stops in an effort to make their share of the festivities a highlight that will long be remembered.

Haliburton's contribution to the Homecoming Weekend will be Festacolor to be held on Saturday, September 28th.

The Rotary Club are spending a large sum of money and it will be a big costly project so we hope that everyone will get out and support the many events of the day and evening. Although the budget will be high it is the feeling of the Rotary Club that they are not out to make a million dollars from the affair but to have a fun filled day for the people who will attend. One of the prime ideas behind Festacolor is to get the local citizens and our visitors mingling together as one big happy

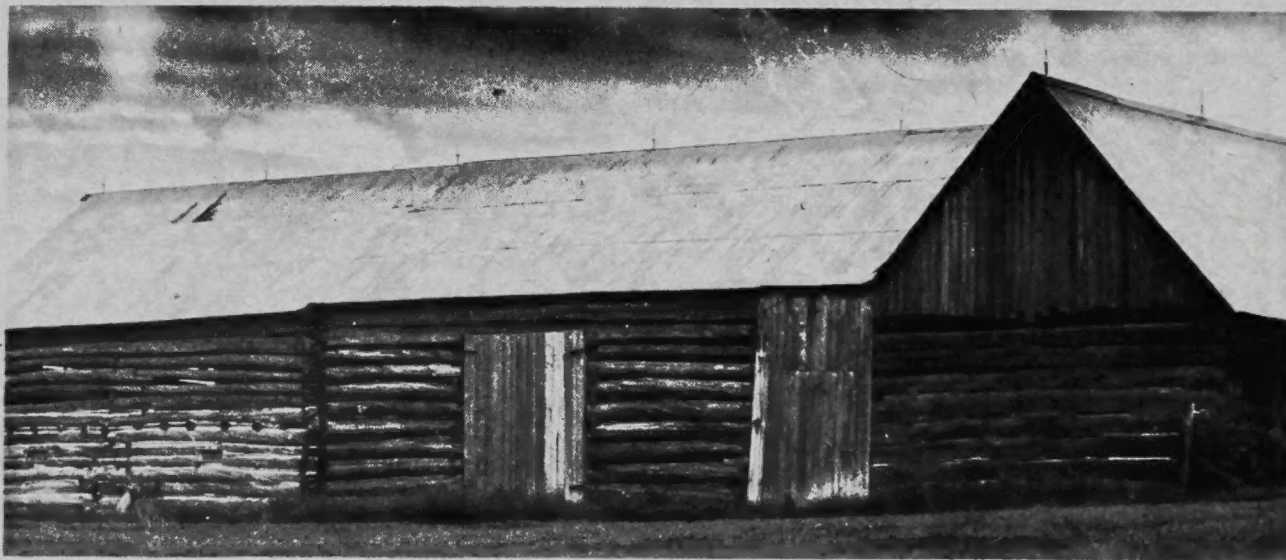

family.

Just listen to the outstanding day of events we have lined up for you. In the afternoon activities will be kicked off with a parade featuring eight bands which will then perform at the fair grounds. There will also be a barbecue and beer garden.

In the evening it will be the horse draw under the lights in both light and heavy classes. The theme in the evening in the arena

will be Catherine MacKinnon Goes Country starring the Catherine MacKinnon of C.B.C. and Global Television fame. Appearing with Catherine will be Bill Meek of CTV's "Pig and Whistle Show", The Jean Anderson Dancers and Stan Hamilton and the Flying Scotsman Band.

And let us not forget that the Color Special train with 600 people aboard will be here on this day.

Do your business with those you know

There's an old saying that goes something like this. Do business with those you know. In the past few months some citizens here in Haliburton County have been fleeced by some outsiders or fly-by-nighters who come into the area with a big story of how cheap they can do a job for you and when you end up you are paying about double the price you should have.

Here in the County we have plenty of carpenters, roofers, contractors and so on who are of good character and can do you a good honest job at a good honest price. For instance when you buy an article from a local merchant and there is something wrong with it you can soon drop down and see him and get it straightened away. He will be only too glad to make it right as he wants you back in his place of business again. If you have work done or make a purchase from someone you don't know and something goes wrong by the time you do something about it the person can be long gone out of the country.

Recently as we said before some local people have been stung by dealing with out of the county firms. We do feel sorry for them but on the other hand they have no one to blame but themselves.

So the next time you have to make a decision to who you are going to deal with think it over and deal only with those you know. You will be glad you did.

Keep Haliburton beautiful

Here in the Highlands of Haliburton we are blessed with beautiful lakes, rivers, streams, forests and beautiful countryside. But the big question is how long are we going to keep it this way. Its up to us whether we want to keep it beautiful or throw litter all over the place and make it a real mess.

How easy it is for all of us to throw papers, boxes and such on the street and roads or in the bush when in most cases litter containers are not too far away.

This week a municipal employee in Haliburton was telling us that some people seem to be making it a habit of taking their garbage and throwing it along the side of the road or putting it in the ditches. How long we ask can this go on before we have real pollution problems.

Here in the Highlands each municipality has its own garbage disposal dumps and these are the places for your garbage - not along the highway or in other places. It is high time that the offenders were caught and brought up before the courts and shown that this is the wrong thing to do.

The Ontario Government are constantly reminding us to keep Ontario beautiful, well it is just about time we started to clear up this matter right in our own back yard.

Tales of the trail by Roy Bates

A letter to members (and all others interested in improved snowmobiling) from the president of the Haliburton County Snowmobile Association.

This is not a chronicle of past successes of the HCSA. Nor is it an apology for any failures. It is, rather, an observation on what still needs to be done, some proposals for tackling the job, and some ways for you, the snowmobilers, to do more to help.

By way of introduction. I was along last March on the short trip to the Province of Quebec which most of you have read about, first in the Minden and Haliburton weeklies, and later in the Georgian Bay Beacon or the OFSC Official News. Prior to that excursion, which was sponsored by Bombardier, I was probably almost as complacent as the next guy about our progress (or lack of it) in Ontario. We all bitch about the high registration fee, but how much actual pressure do we put on the Government to do something realistic with it? We complain about brushy, rough trails, but how often do we take axe in hand to clear a trail or hook onto a drag to level out the humps? I have seen what CAN be done with a little effort, what HAS BEEN done in Quebec, and if we would have a worthwhile trail system here there is no longer room for complacency in Ontario. In my humble opinion, the only way we can make any kind of real progress in that direction is by a high degree of snowmobiler participation.

The most reliable information I can dig up puts the total membership of all snowmobiler organizations in Ontario, from the smallest club to the OFSC, at less than ten percent of the snowmobiler population. Participation in Quebec is upwards of eighty-five percent. That difference has made a difference! The Quebec Government now comes through with eighty-five percent of its registration revenue for trail improvement, mostly to snowmobile clubs for their own pet projects, and the result is a hundred and sixty dollars a mile annually applied to twelve thousand miles of trails. Somewhat more than half of that, however, is derived from club membership fees. The total budget of the HCSA in the 1973-74 season amounted to about ten dollars per mile of the county's overland trails, with about one-sixth (\$1.67) from membership fees. And some of us thought we were making good progress!

We have all heard the rumblings that a total road ban is just around the corner. If the Government moves as quickly on this legislation as it has on other proposals pertaining to the snowmobile it may take another five years and a hundred more

fatalities. We can't afford to wait five years for the trail policy that has just gone onto the Provincial drawing board. We have to begin now to make our trails more attractive and comfortable to ride, and we must develop off-road alternatives for the many road links in our trails system. To do it will require manpower and equipment, and most of all money, for volunteer labour will not get the job done.

Membership in the Haliburton County Snowmobile Association for this year will cost a mere five dollars. That is less than a case of your favorite beverage, a carton of cigarettes, or a good steak dinner. And it will cover your machine, and all who ride it, for a season ticket to four hundred miles of trails which will be improved and groomed to the fullest extent that your support makes possible. Eighty-five percent of the estimated potential within Haliburton County is something over two thousand - ten times last year's membership total. If last year was a good year there is no reason why this year shouldn't be ten times better.

Letters to the editor

Mr. Ron Chartrand
Dept. of Health
17 William St. South
Lindsay, Ontario

Dear Mr. Chartrand:

As Secretary of the Eagle and Moose Lake Community Association, I have been asked to query the apparent indifference of your department to the water pollution of our lakes and to request some decisive action.

I use the term "indifference" because in spite of alarmingly high test results nothing has been done, to our knowledge, to investigate the cause or to warn the general public. Every two weeks for the past four years, samples from many points on the two lakes have been forwarded to your office for analysis with the understanding that the proper authorities would be notified of dangerous readings and action taken.

The safety limits for recreation established by the Ontario Water Resources Commission are given as - Coliform 1000, Faecal 100. At the end of July (peak tourist time) one reading at one point read Coliform 3400, Faecal 400! Other readings were also well above the safety limit. In addition, a new test was added this year - a streptococcus count. Our highest reading was 84. It is our understanding that the scale only allows for a reading up to 20! Therefore, a count of 84 should, at the very least, raise an eyebrow or warrant a postscript to your reports. We are well aware that reading fluctuate to a certain degree. Our readings have SPIRALLED and we find it incredible that we have not heard one word of advice or concern from the Dept. of Health.

The Redstone Dam was closed before the end of June and the river became a grassland laid bare for contamination as were the

beaches around the lakes. With the opening of the dam weeks later and the resulting flooding of the river and beaches after weeks of exposure the water readings became dangerously high. Coincidence? The water draw down is a bone of contention for many reasons, but if it is also a factor in the pollution of our lakes then it is high time pertinent studies were made.

Our Association is a member of the Haliburton Highlands Property Owners Council which includes 35 lakes in this area, most of which are also being tested by concerned members. What their readings are for this year we do not yet know, but is it safe to assume that pollution will confine itself to one or two lakes. How long will it be before our scenic shores are dotted with "No Swimming" signs? Should they have been put there this summer?

We are constantly bombarded with the plea to take an interest in our environment and fight pollution. **WE ARE FIGHTING!** We think it's high time the proper authorities entered the ring.

Sincerely
[Mrs.] Bonny Redfern
Secretary

To the editor:

I think perhaps an accounting of a recent happening in Haliburton County may prove of interest to your readers.

Many years ago, the Cottagers of the Sugar Bush Cottagers Association on Lake Kashagawigamog, got together on occasion to play cards, have tea or have a corn roast. At that time there were perhaps eight cottages involved. Since about 1937, the number of property owners has more than tripled, and a

need to become better acquainted with one's neighbour prompted Mrs Ruth Shepherd to canvass the area, and as a result of much work and planning, also with Isobel and Bert Harrison's approval, a corn roast and barn dance was held at their farm on Highway 121 at the Bethel Church Road.

Over 80 cottagers' families and friends enjoyed hot dogs, corn and a marshmallow roast. After a pause for coffee and conversation, Dave Grant announced he was ready to call for square dancing. Everyone from Ken Hopkins, 69 yrs, down to Alex Lytle, 7 yrs. had a ball trying to keep up with Dave.

It has been some years since Harrison's housed cattle in that huge barn, and yet with the clear star and moonlit sky and lights glowing through the cracks of the big structure, it couldn't have been a more ideal spot for a people party. Thanks to the kindness and generosity of Mr and Mrs Harrison, a great time was had by everyone, and the cottagers can hardly wait till next year.

There seemed to be a great friendliness among the folks gathered at this party, perhaps as a result of the Harrison family having sold all the lakefront lots to the members of the Association. On the whole, we all maintain a good relationship with the family, and thought this event could be rather fun to read about in your ever popular paper.

In this day of greater mobility of families, as the younger members grow up and leave, they feel their roots are in Haliburton, so even though we are "summer residents", our hearts are with the visual pleasures of this beautiful county.

Continued success to the Echo!

Sincerely,
Mrs GG Robuisou,
on behalf of the Sugar Bush Association

1974 Hunting Regulations

The following is a resume of Small Game and Migratory Birds Seasons for the Lindsay District. Please consult the 1974-hunting regulations pamphlet for additional information. The Lindsay District is approximately the area south of the Kawartha Lakes to Lake Ontario and East-West from Whitby to Colbourne.

OPEN SEASONS

FOR GROUSE - 1974-75

In the Counties of Durham the part of Victoria County lying south of Highway 7, the Township of Cavan in Peterborough County and the Township of Hope in Northumberland County:

All Species: Saturday, September 28, 1974 TO Wednesday January 15, 1975.

In the remainder of Lindsay District:

All Species: Saturday, September 28, 1974 TO Saturday, December 14, 1974.

Bag limits remain the same as in 1973 with a daily limit of five and a possession of 15 (in the aggregate of ruffed and spruce grouse) and a daily limit of five and a possession limit of 15 (of each sharp-tailed grouse and ptarmigan).

1973 saw low numbers of grouse in northern Ontario, north of North Bay. This is a normal part of the grouse ten year cycle of high and low populations and 1974 may show a slight increase in grouse numbers in the north.

In southern Ontario grouse populations have been more stable and good numbers were found throughout the area in the fall of 1973. Populations in the south should exhibit similar levels in 1974.

OPEN SEASONS FOR PHEASANTS

In the City of Oshawa in the Regional Municipality of Durham: Wednesday, October 16, 1974 TO Saturday, November 16, 1974.

In Lindsay District the Townships of Scugog and the town of Newcastle in the Regional Municipality of Durham; the part of Victoria County lying south of Highway 7; Cavan Township in Peterborough County and Hope Township in Northumberland County: Saturday, September 28, 1974 TO Saturday, December 14, 1974.

Shooting Hours:

(a) In the City of Oshawa in the Regional Municipality of Durham: 8 a.m. to 1/2 hour after sunset.

(b) In the remainder of Lindsay District: 1/2 hour before sunrise TO 1/2 hour

after sunset.

Bag Limits:

In the City of Oshawa: three birds per day, not more than one of which shall be a hen.

In the remainder of Lindsay District: three birds per day, any sex.

Pheasants in Ontario are at the northern limit of their range in Eastern Canada. Winter severity and depth of snow are the factors which restrict naturally reproducing pheasant populations to the area along the north shore of Lake Ontario and the southwestern parts of the province. Last year, pheasant production in the southwest was exceptionally good. This was a reflection of the unusually mild winter experienced in 1972-73.

OPEN SEASONS FOR SQUIRRELS GREY, BLACK FOX SQUIRRELS

In Lindsay District: Saturday, September 28, 1974 to Saturday, December 14, 1974.

Bag limits for squirrels are the same this year as they have been in past years: daily limit of 10 and a possession of 10 in the Lindsay District.

Grey, black and fox squirrel populations are largely limited to the hardwood bush lots in the southern agricultural part of the province. These animals feed on acorns and other nuts of forest trees but benefit as well from agricultural crops such as corn.

OPEN SEASONS FOR RABBITS COTTONTAIL VARYING HARE, EUROPEAN HARE

The Municipality of Whitby and the City of Oshawa in the Regional Municipality of Durham: Wednesday, October 16, 1974 to Friday, February 28, 1975.

Portions of the Counties of Victoria and Peterborough lying north of Highway 7: Saturday, September 28, 1974 to Monday, March 31, 1975.

In the County of Northumberland and parts of the Counties of Victoria and Peterborough lying south of Highway 7; the Townships

of Scugog and the Town of Newcastle in the Regional Municipality of Durham: Saturday, September 28, 1974 to Friday, February 28, 1975.

BAG LIMITS:

Bag limits in Ontario refer to European Hare (jackrabbits) and cottontail rabbits only, the limit being 6 per day of each. There is not a bag limit on varying (snowshoe) hare.

OPEN SEASONS FOR MIGRATORY BIRDS IN LINDSAY DISTRICT

Southern District Ducks, Rails, Coots, Gallinules and Wilson's Snipe September 28 to December 14.

Geese - September 28 to December 14.

Woodcock - September 28 to December 14.

BAG AND POSSESSION LIMITS IN ONTARIO

Ducks Limits Daily Bag 5 (a) (b) (d) Possession 10 (a) (c) (e).

Geese Daily Bag 5 (f) Possession 10 (f).

Rails, Coots and Gallinules Limits Daily Bag 5 Possession 10.

Wilson's Snipe Limits Daily Bag 10 Possession 20.

Woodcock Limits Daily Bag 8 Possession 16.

(a) no limit on red breasted and American mergansers.

(b) except that not more than one canvasback and one redhead duck may be taken daily.

(c) except that not more than one canvasback and one redhead duck may be possessed.

(d) except that on and after October 12 two additional scaup may be taken per day.

(e) except that after October 12 four additional scaup may be possessed.

Township offices in all municipalities should be contacted regarding discharge of fire-arm By-laws.

THE SPORTSMAN'S WATERFOWL TOURNAMENT 1974

sponsored by the Oshawa and District Sportsman's Association and Ontario Federation of Anglers and Hunters in Co-operation with The Ontario Ministry of

Natural Resources Sunday, September 8, 1974 at Darlington Provincial Park - activities get under way at 9:00 A.M.

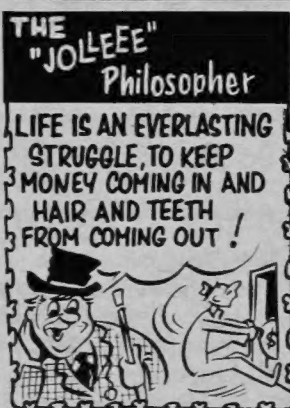

DARLINGTON - FROGS, FOWL AND FUN

Two successful Sportsman's Waterfowl Tournaments have now come and gone, but the third promises to be the best yet! With the addition of more public participation events, the day's festivities promise to thoroughly entertain you and your family.

The tournament is designed to show the many skills associated with waterfowling and also illustrate some aspects of waterfowl management. Top sportsmen will compete for the overall championship by entering at least five of six contests including: duck identification, decoy carving, marsh shooting, trap shooting, duck calling, working retrievers.

All of the above are considered prerequisites to good waterfowling.

Whether your interest lies in waterfowl or their neighbour the bullfrog, who shares somewhat the same habitat, Darlington is the place for you on Sunday, September 8, 1974. One of the new additions to the day's activities includes a frog jumping contest. Bring your own bullfrog to compete against other springboard amphibians for ribbons and prizes. There

G. Elstone
Construction
Co.

R. R. 2 HALIBURTON

Telephone 457-1328

will even be a celebrity sweepstake for everyone's enjoyment.

Picturesque Darlington Park on the shores of Lake Ontario has excellent camping and picnic facilities. No park entrance fees will be charged on September 8 although a standard camping fee will apply.

Plan to come and participate. Competitors, non-competitors, young, old, professional and novice will find something of interest.

Just look at the line-up of the day's action: junior dog trial (16 years and under) duck head whittling, a wild "gourmet" meal, public trap shooting, duck banding

demonstration, dog handling demonstration, lay-out boat participation, duck identification, wildlife displays, hunter safety corral, hip boot races (bring your own boots), bullfrog jumping contest (bring your own frog), shotgun target shoot (pickles in the paper), prizes and ribbons.

If it sounds like fun, come and join us.

Those who wish to compete may obtain more detailed information by writing to "Sportsman's Waterfowl Tournament", Box 1004, Oshawa, Ontario, or by contacting the Fish and Wildlife personnel at your nearest Ministry of Natural Resources Office.

Sir Sandford's Board of Governors

Appointment of new Vice President

The Board of Governors of Sir Sandford Fleming College has announced the appointment of Dorothy Rowles as vice-president, academic. Miss Rowles is the first woman to become vice-president of an Ontario community college.

The Board made its decision with the assistance of faculty, students and administration at Sir Sandford. Miss Rowles holds a Master's degree in Education and Sociology from the University of Toronto, a Bachelor of Nursing Education from McGill University

in Montreal, and a Nursing Diploma from St. Paul's Hospital in Saskatoon, Saskatchewan.

Formerly with Ryerson Polytechnical Institute, Miss Rowles held several administrative posts including chairman of the nursing department, executive assistant to the vice-president academic, acting dean in the community services division, and most recently as registrar. She was on special assignment to the president's office for almost a year prior to her appointment as

registrar.

She became well known in education circles in the early part of her nine-year career at Ryerson when she organized the first diploma nursing program in an educational setting in Canada. She subsequently introduced the first post-diploma specialty courses for nurses in a non-university setting.

In 1965 and 1966 Miss Rowles chaired the committee which screened all program changes and innovation at Ryerson. She also acted as chairman of the sub-committee which wrote the new academic plan for that Institute in 1969.

Prior to her career at Ryerson Miss Rowles was a lecturer in Nursing at McGill University and had also served two years as inspector of schools of nursing in Ontario for the Department of Health.

Currently a member of the Canadian Nurses' Association and the Registered Nurses' Association of Ontario, she has published numerous articles on nursing and nursing education and has acted as consultant in nursing education across Canada.

The position of Vice-President Academic at Sir Sandford has been vacated by George H. Robertson who will become President of Mohawk Valley Community College in Utica, New York, on September 1. Miss Rowles' appointment will be effective on October 21.

Dorothy Rowles

HALIBURTON COUNTY BOARD OF EDUCATION

SEPTEMBER MEETING

The Haliburton County Board of Education will be holding its regular meeting in the Dorset Elementary School on **SEPTEMBER 10, 1974**. This occasion will give citizens of the Dorset area an opportunity to attend a Board meeting.

RENTAL GM LEASING

VERY LITTLE DOWN WHEN YOU LEASE A NEW CAR FROM US

That's because your deposit on a new lease car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan . . . and that new Chevrolet . . . that fit your needs. And your pocketbook.

Notice of Application

by

The Corporation of the
**Township of
Monmouth**
to dispense
with a vote of the Electors

TAKE NOTICE THAT:

1: The Council of The Corporation of the Township of Monmouth intends to apply to The Ontario Municipal Board for approval of the construction of a Community Centre, Municipal Office and council Chambers located in Wilberforce Village at an estimated cost of \$200,000.00 whereof the amount of \$150,000.00 shall be raised by the sale of debentures payable out of the general rate over a period not exceeding ten years.

2: Application will be made to The Ontario Municipal Board for an order to dispense with the assent of the electors to the undertaking of the said works. Any ratepayer may, within twenty-one days after the first publication of this notice, send by post prepaid to the clerk of the Township of Monmouth at the address given below, a notice in writing stating his objection to such approval and the grounds of such objection.

3: The Ontario Municipal Board may order pursuant to the statute that the assent of the electors shall not be required and may approve of the said works, but before doing so it may appoint a time and place for a public hearing when any objections will be considered.

Dated at the village of Wilberforce this 26th day of August 1974.

Mrs. Sharon Hunter
Clerk-Treasurer,
Township of Monmouth
WILBERFORCE, Ontario

Form 101

Ontario fire fighters

The back-bone of Ontario's forest fire attack force consists of 125 professional five-man fire crews. Collectively, these fire crews represent a well trained, highly mobile strike force, prepared for instant dispatch to any part of Ontario.

The 25 unit fire crews in Southern Ontario are no exception. Based in the forest districts of Owen Sound, Parry Sound, Bracebridge, Minden, Bancroft, Algonquin Park, Pembroke, Tweed and Lanark, these crews have rendered yeo-

man service in Northern Ontario this season.

Herb Cassalmen is a muscular, 24-year old, professional fire crew leader based in Bancroft, Ontario. His packsack is **always** packed, ready for instant action - almost anywhere at anytime. Last June 27th at 9 p.m. saw him mowing the grass at his home in Bancroft, when a single phone call set him in motion. He was destined to work non-stop for the next 35 days - 7 days a week and up to 18 hours per day. Thousands of

acres of forest fires in Northwestern Ontario were raging out of control. His job was clear; report to headquarters, summon his crewmen, and rush to the airport for airlifting 800 miles to Dryden, Ontario, via Sault Ste. Marie and Thunder Bay.

This scene has been repeated dozens of times throughout the province this summer as fire crews are rushed from one hot spot to another in the worst season for forest fire occurrences since 1961.

SWORDS in Sherwood

The Sherwood Forest in Renfrew County, four miles north of Barry's Bay, echoes to the sound of axes as S.W.O.R.D., crews brush-out a one-hundred and fifty acre red pine plantation.

The word S.W.O.R.D., of course, stands for "Students Working on Resources Development", a project administered by the Ministry of Natural Resources across Ontario.

The work is part of a nine million dollar student summer program funded by the Provincial Youth Secretariat. Twenty-four students are employed by the Ministry of Natural Resources in Renfrew County alone.

The S.W.O.R.D. crew assigned to the Sherwood forest is improving a stand of red pine planted in 1949 by the Ministry under an agreement with the County of Renfrew. Over the years,

countless undesirable tree species have "seeded in" naturally, competing with the nursery stock for nutrition. The technical term for the underbrushing is referred to as "releasing", since additional sunlight and nutrients are released to the desirable red pine plants by removing competing trees.

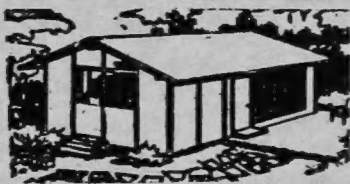

Nineteen additional S.W.O.R.D. students are employed for the summer in the Ministry's Pembroke District on such projects as surveys of crown land campers, fish creel census in Round and Paugh Lakes, and lake surveys.

One particularly profitable project was the removal and salvage of twenty miles of abandoned Ministry telephone lines from Pembroke to the Algonquin Park boundary. The \$1,500.00 salvage value of the copper and steel is far in excess of the cost of the project.

These telephone lines, which in the past interconnected the old fire tower network, were rendered obsolete with the advent of two-way radio communications.

News from Carnarvon

Mr and Mrs Tom Rogers of Sarnia were at their cottage last week, after making a trip to the Maritimes. Stephen and his friend came up for a few days to go home with his parents.

Mrs Ruby Sedore and Phillip, also Mrs Garth Windsor and Mark all of Belleville, were here for a few days staying at the Maurice Windsor's residence.

Mr and Mrs Stan Archer have gone on a trip to North Battleford, Sask.

Our deepest sympathy is extended to the Harvey family in the loss of husband, also their grandfather.

Jill Harvey was married in Toronto last weekend, she was the daughter of Bob Jr. and Jean Harvey both deceased. We wish to extend our congratulations to Jill as she has had quite a bad time lately losing her brother and grandfather.

Congratulations are also wished to Bob Chambers and Julie Howe who were married on Saturday at Eagle Lake Baptist church. Bob is the son of Mr and Mrs Frank Chambers of Carnarvon.

Mrs Frank Chambers

(Audrey) took a university course in Durham College England, and was in residence in Durham Castle. She also visited Canterbury Cathedral, Stratford on Avon, and other lake regions. She also visited in

Scotland.

Miss Cindy Chambers spent the summer at a camp in South River as a councillor.

Mrs Robert Gorrie and Patricia took courses at Trent University, Wendy

Gorrie also had a course in Peterboro this summer.

Mrs Renouf and daughters of Toronto will be closing their bake shop "Carnarvon Bake Shop" on Aug. 31st, they have been here for the summer.

Salvation Army fights obscenity and pornography

The Salvation Army in Canada is raising its voice against the escalating tide of obscenity and pornography in this country.

The 135,000 member organization expresses "profound concern" for the seemingly unimpeded proliferation of pornographic literature throughout Canadian stores and news stands. Opposition is also voiced with regard to the morally debilitating contents of films and performances presented on television and in the theatre.

A Salvation Army spokesman says obscenity and pornography 'demean human dignity. They cater to lust rather than love, and encourage a promiscuity which threatens family life and fosters anti-social conduct.'

The Salvation Army urges

the Canadian Government to put "effective teeth" in its federal legislation concerning obscenity and pornography. The Army further suggests a strengthening of anti-obscenity regulations for radio and television, and advocates a more stringent enforcement of these regul-

ations by the Canadian Radio and Television Commission.

The Salvation Army concedes that a 'personal morality based on a religious faith, is ultimately the most effective weapon in dealing with obscenity and pornography.'

Gems of Truth

USE BOTH OARS!

The controversy that has plagued many sincere souls as to whether salvation is all faith or all of works or some of both can be solved by the simple tactics of a ferryman. This man was a deep thinker but a man of few words and was a constant reader of the Bible and a firm believer in its truths. He had for his passengers two business men who regularly crossed the waters on the same day each week. Their conversation often turned to the subject of faith and works, one man thinking he could do without works if he had faith and the other man claiming he could do without faith if he had works.

The ferryman's patience was sorely tried by the constant and insistent repetition of their fruitless arguments which were so destructive to Scriptural harmony. One day he decided upon the following expedient. On one of his oars he painted the word "Faith" and on the other oar "Works". On his next trip with the two business gentlemen, as they came to a rough place in the river, he took in the oar "Faith" and with all his might plied "Works". The boat kept going round and round to the annoyance and fear of the two passengers. "Put out the other oar" called one of them in a loud and angry voice. "Very well" was the old man's reply and calmly taking in the "Works" oar he put out "Faith" which he used in the same manner, turning the boat around in dangerous circles.

The two men thought the man must have gone out of his mind as they clung to the

circling vessel. In due time the demonstration ended as he called their attention to the painted oars.

"I have tried your way and your way and you see the result, now observe my way". The two oars began to dip harmoniously and the boat moved forward in true advancing style. Needless to say the lesson was well demonstrated and it left its desired truth lodged in its spectators.

Perhaps we can learn with them, faith without works or

works without faith, fail to bring us into the desired "Haven". The two cannot be separated. A faith that is real buds forth in works pleasing to Christ the object of all true faith.

SCRIPTURE
MEDITATION: "And let ours also learn to maintain good works for necessary uses, that they be not unfruitful". Titus 3:14.

FOOD FOR THOUGHT: "Faith and works is like a battery, it takes both terminals to make it work".

Young Canadian evangelist conducts Crusade for Christ

Bruce Scott, a young Canadian evangelist, baritone vocalist and recording artist, is to conduct a Crusade for Christ at the Harcourt Community Chapel.

These meetings will be held at 7:30 p.m. from Sept. 11 to September 15.

Bruce Scott is a native of Ontario, Canada. A son of the manse, Mr. Scott was raised at the heart of church work, and through the influence of godly parents made a commitment of his life to Christian service during his teenage years.

A former Canadian youth teen talent winner, Mr. Scott completed undergraduate studies in Toronto, pastored congregations in Ontario and served as director of the Golden

Horseshoe Christian Youth Centre and Youth Evangelism Fellowship.

As crusade director of and an associate with the Campbell-Reese Evangelistic Association, he provides leadership and instruction for interchurch, community-wide evangelistic crusades. The thrust of his crusade ministry focuses on evangelism and church renewal.

Mr. Scott uses a unique orchestrated accompaniment appealing to all ages in a tasteful, contemporary blend of the old and new in gospel music.

Thousands across Canada and the United States have enjoyed the inspiration and blessing of this young servant of God.

The public is cordially invited to attend.

Hall's Lake News

A corn roast was held on August 22nd at Highland Cottages, hosted by Norman and Violet Wallace, to celebrate the feat of Whitney Jane Edmunds in swimming from the Wallace beach to the lighthouse on the Island. Whitney, who is 11 years of age was paced by her parents Joan and Dick Edmunds of Brampton. The Edmunds are annual vacationers at the Highland Cottages.

Mr and Mrs S.C. Rolston and family of Mississauga spent two happy weeks at Thistlebrae on Hall's Lake. Their young son Stephen aged 9 learned to water ski while here.

Miss Eleanor Gilchrist is spending much of her time at her cottage.

Marj. Ferguson has departed for Toronto, and Mrs. Della Johnson has sold her home and will soon be leaving for a trip to the West and then expects to live in Toronto. Both these ladies have been active in Club 35 and they will be missed very much.

Ross MacDonald and his chum swam to the Island from this side of the Lake. Since they were on their

own and did not intend swimming so far, a worried father procured a boat from Cherokee and went to rescue the boys. Luckily they were good strong swimmers and had reached the other side in safety.

A rash of pranks normally thought to be popular around Hallowe'en has become a nuisance to car owners on the shores of this Lake. Yards and yards of toilet paper have been wrapped around a car and over the windshields and when it rained the paper washed down inside the car and caused a real mess. Also

a group of young boys at Buttermilk Falls flashed strong lights on a motorist and then threw stones at the new model car. The police cannot check every area all the time, but parents have a responsibility to know what their young people are up to. Let's not get a reputation for having young punks on Hall's Lake!

Several cars sitting at the dump of an evening have been watching the antics of the bears. There used to be more of them around but with the care of the dump now there isn't as much uncovered food for them as there was at one time.

dian Legion Hall, 9:00 p.m.
Friends welcome.

In Memoriam

DAVIS - In loving memory
of a dear father and
grandfather, Arnold, who
passed away one year ago
Sept. 4, 1973.

What I would give if I could
say
"Hello, Dad" in the same old
way.
To hear his voice, to see him
smile,
To sit and chat with him a
while.

So you who have a father,
cherish him with care,
For you'll never know the
heartache
Until you see his vacant
chair.
Loved and sadly missed by
daughter Hazel, son-in-law
Don, and grandchildren
Debbie, Kim, Cherrie and
Mike MacKay.

DAVIS - In loving memory
of my dear son Arnold who
passed away one year ago.
If I had all the world to give,
I'd give it, yes and more,
To hear his voice, see his
smile
And greet him at my door.
But all I can do dear son
Is go and tend your grave.
I'd like to think when life is
done
Where ever heaven may be
He'll be standing at the door
Up there to welcome me.
Your loving memory I'll
always keep. Mother.

Notice

NOTICE TO CREDITORS
IN THE ESTATE OF
SHERMAN LESLIE
SIMMS, Trucker, Deceased.

NOTICE IS HEREBY
GIVEN that all persons
having claims against the
estate of Sherman Leslie
Simms, late of R. R. #1,
Haliburton, Ontario, Truck-
er, Deceased, who died on or
about the 24th day of July,
1974, are requested to send
particulars of their claims to
the undersigned on or before
the 20th day of September,
1974, after which date the
Administrator will distrib-
ute the assets of the Estate,
having regard only to the
claims of which he then has
notice.

DATED this 20th day of
August, A.D. 1974.

J. EARL PALMER Q.C.
P.O. Box 217
Minden, Ontario
KOM 2K0.

Solicitor for
the Administrator.

Thank-You

The family of the late Gladys
Muriel Peacock would like to
express their sincere thanks
and appreciation to their
friends, relatives and neigh-
bours for all acts of kindness
and sympathy during the
loss of a loving wife, mother
and grandmother. Special
thanks to Rev. A. Hutchison,
the ladies of the community,
the John Welch and Son
Funeral Home, and doctors
and nurses at Red Cross
Hospital, Haliburton.

The Glamorgan Centennial
Committee would like to
take this opportunity to
express their thanks and
appreciation to those who
assisted with the fair, those
who donated to the bake sale
and bingo, and to all the
people who attended, mak-
ing this Centennial Day a
great success.

Thank-You

A sincere "Thank You" to
our friends and neighbours
for your cards, letters,
phone calls and visits since
our harrowing experience
when our cottage was blown
apart by lightning. Special
thanks to Ron Tyler for

phoning the fire depart-
ment, to Doug Kenning for
his invaluable assistance in
getting us to the hospital,
and to Dr. Harry Good and
the nurses for their prompt
action at the hospital, and to
the Haliburton Fire Dep-
artment for their quick
response when called. We
greatly appreciate your
kindness. Mary and Elwin
Robertson.
